

## ***Sacred Heart Youth Ministry - Peer Ministry Leadership Application 2019 - 2020***

The Youth Ministry Peer Ministry team is not just something else to do during the year; it is a commitment that will require your time and your best efforts. You will need to be punctual, you will need to communicate with both the Youth Minister and your fellow peers effectively.

Being a part of the Peer Ministry team will be fun and rewarding, but it will also be challenging. The community here at Sacred Heart desperately needs young people to step up and take action amongst themselves. So if you feel that you are being called to a position of ministry, take your desire to the Lord in prayer, and if you feel moved, return this application to the Youth Ministry Office.

**So what exactly am I getting myself into?** You will be asked to:

- Learn the faith in perhaps a fuller and deeper way than your peers.
- Develop, sustain, and grow in your faith life.
- Attend leadership meetings and workshops
- Commit to programs/activities that you sign up for.
- Have a prayer life in which you communicate with your Creator every day.
- Be a Catholic role model in the Sacred Heart community by attending Mass every Sunday, attending confession monthly, believing and obeying and sharing the teachings of the Church.
- Above all else, to love one another.
