### Grand Knight Report

The council year is winding down and in July we will have a new set of officers leading the council. While this council year is not as event filled as my past terms as Grand Knight, I definitely see it as a successful year for the council. We have, hopefully, put the Council back on settled financial footing. And with a successful Crab Raffle, will have the Casserole Program funded for the coming council year. That should free up council resources for other charitable activities and faith support.

The recent Council Mass and Lunch will, hopefully, become an annual event to encourage fellowship between council members and their families. But why stop there. In the past we also had a family picnic in the early fall, typically at a local park or someone's home. Maybe we can begin having that again in the coming council year.

Coming up we will once again work with the Pro-life Group at the parish to hold the annual Marian Rosary and Ice Cream Social (so there not be a meeting on May 16th). Please make plans to bring your family to this event.

Finally, the Columbian Club will hold a meeting at the last council meeting of the year (June 20). We need to hold elections and continue the funds decision making process.

I hope to see you and the upcoming events and meetings,  
 Quentin Sedney

**New Member & Family Welcome Lunch**

**Report**

On Sunday April 29th we held a council mass and lunch – a meet and greet of new and older Knights and their families. We hadn't had an event such as this for several years (not counting the annual Christmas Party), since the old 3<sup>rd</sup> degree banquets the council used to hold each year.

I counted more than sixty people (18 Knights) in attendance for the event and everyone had a great time. The council provided the main dishes of pulled pork and fried chicken and several dishes. Thank you to Ron Spohn and his family for preparing the food and drinks. Attendees brought side dishes and desserts which, of course, featured brownies. During the lunch each Knight introduced themselves and their families.

I hope that this will become an annual event for the Council.

Fraternally submitted,  
Quentin Sedney, GK<sup>3</sup>

## Pro-Life Report

### **A GOOD CATHOLIC MUST BE PRO LIFE.**

Lord God, we humbly ask You to bring us all back to You and help us to respect all life from womb to tomb.

This is an update of the trial of Dave Deleiden, the young man responsible for the videos of Planned Parenthood that showed them selling baby body parts. The Supreme Court has declined to take up the petition of Dave Deleiden regarding his trial in San Francisco; therefore, the gag order and fine will remain in place. There has been no action mentioned regarding the recusal of Judge Orrick, the presiding judge at the Deleiden trial. for his long-standing relationship with Planned Parenthood.

There are a lot of Pro Life actions being taken across the nation and world but in all cases, there is always strong resistance. As I mentioned before there is a great spiritual battle going on in our country and throughout the world. You will not hear about the Pro-Life actions being taken from the media because they are mostly all liberal and support abortion. The best place to find out what Pro Life actions are being taken are on the internet. Two websites which I use are [www.lifenews.com](http://www.lifenews.com) and [www.operationrecue.org](http://www.operationrecue.org) which cover most Pro-Life activities. I ask you to pray constantly for our country and the world to fight for life from womb to tomb, and support

all Pro-Life activities especially the Tender Care pregnancy center in Westminster and CPC, the Center for Pregnancy Concerns, in Baltimore. These clinics operate with volunteers and rely strictly on donations. There are two banquets in May. Tender Care is at Martin's Westminster on May 22, and the Maryland Right to Life banquet is at Martin's West on May 10 and costs \$70. Call me for more details.

We can always use good men or women to help us pray at the abortion facility in Owings Mills every Saturday morning, and it is getting warmer now so it's a little easier.

### *Chaplain Report*

The Church's mission is to spread the Good News of Jesus Christ. To tell the world that Jesus defeated death by rising from the dead and bring us eternal life. Proclaiming the gospel is the Church's job, which makes it the job of the Knights of Columbus. We are the right arm of the Church.

As Knights we have an obligation to take our faith seriously. To pray, receive the sacraments and live according to the teaching of Jesus. It's a big job and a tough responsibility. It's important to remember that as brother Knights we support each other in the mission.

The fellowship of the Order is as important as its insurance program. It's this sense of brotherhood that has us volunteer our time to the Parish. It's brotherhood that calls us to mourn the dead and its brotherhood that calls us to worker together to build up the Kingdom of God.

Because the fellowship of the Knights intertwined with the work of the Knights, it's easy to forget that Order is about more the just laughing, joking and having a goodtime. The Knights of Columbus are about men helping each other responded to gospel. It's about men supporting each other as we live and proclaim our faith.

### *Catechism Corner*

Come Holy Spirit fill the hearts if Thy faithful and enkindle in them the fire of Thy love; send forth Thy Spirit and Thou shalt renew the face of the earth.

We will celebrate Pentecost on May 20, 10 days after the Ascension of our Lord Jesus Christ into Heaven which was 40 days after the Resurrection of Jesus Christ on Easter Sunday. This was God's Divine Plan for His Church. After the work God the Father gave His Son to do on earth was completed, the Holy Spirit was sent on Pentecost to bestow the gifts needed for the apostles to preach, teach and spread the gospel throughout the world. These gifts had a great impact on the lives of the apostles and 3000 were converted that day. This indicates the power and strength of the gifts of the Holy Spirit, which we receive at Confirmation and are available to us all our lives. I don't think the power of the Holy Spirit gets the recognition deserved.

Here are a few of the many paragraphs in the Catechism about the Holy Spirit. Get a Catechism to learn your Faith because you cannot depend on what you were taught in grammar school to know your Faith. Learning your Faith is a lifelong endeavor.

**731** On the day of Pentecost when the seven weeks of Easter had come to an end, Christ's Passover is fulfilled in the outpouring of the Holy Spirit, manifested, given, and communicated as a divine person: of his fullness, Christ, the Lord, pours out the Spirit in abundance.

**767** "When the work which the Father gave the Son to do on earth was accomplished, the Holy Spirit was sent on the day of Pentecost in order that he might continually sanctify the Church." Then "the Church was openly displayed to the crowds and the spread of the Gospel among the nations, through preaching, was begun." As the "convocation" of all men for salvation, the Church in her very nature is missionary, sent by Christ to all the nations to make disciples of them.

**1831** The seven *gifts* of the Holy Spirit are wisdom, understanding, counsel, fortitude, knowledge, piety, and fear of the Lord. They belong in their fullness to Christ, Son of David. They complete and perfect the virtues of those who receive them. They make the faithful docile in readily obeying divine inspirations.

Let your good spirit lead me on a level path.

For all who are led by the Spirit of God are sons of God . . . If children, then heirs, heirs of God and fellow heirs with Christ. 111

### *District Deputy Report*

My Brothers All,

I bring you greetings from our Worthy State Deputy, Stephen M. Cohen. He reminds us, it is not I, it is we, it is not my goal it is our goal, to make this the best year ever.

Two months left. Time flies when you are having fun. This has been a great year, but we still have much to accomplish. Don't stop your events finish strong in support of our parishes, our councils and our communities. Remember, at least one new member per month, to finish strong. Those councils on the verge of STAR, you know what you have to do, so do it. I will work to help each council bring in new members. Remember the trifacta is coming in May. May 9 to 11th we will have an Admissions Degree, Formation Degree and Knighthood Degree at Archbishop Fulton Sheen, St. Joseph Catholic Community in Eldersburg. Each Degree will start at 7:30, candidates need to arrive NTL 7PM. Coat and Tie.

As we finish the Easter Season and head into Pentecost, please remember, the order is here not only to help Catholic Gentleman to grow in faith and fraternity, we are here to help where ever needed in our parishes and communities. Remember your promise to carry your Rosary always and say it as often as possible, for the needy, the sick, the deceased and for all.

Vivat Jesus

*From the Desk of the Benefits Advisor*

Too many people rely on group term life insurance as their only safety net. Often this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally owned life insurance is not necessary.

But only having “through work” life insurance can leave your family vulnerable. Most group life insurance policies are limited in amount, and are tied to salary or some other benchmark. These numbers are often capped and the cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed analysis that evaluates your specific situation will likely show that any employer provided coverage falls short.

In addition, the amount of group life insurance is almost always reduced, sometimes drastically, when you retire. You could, one day, find yourself without coverage, and if your health has changed (which it will as you age) you might find yourself unable to secure individual protection, or it may have become prohibitively expensive.

While employee group life insurance can help, it does not replace the need for individually owned life insurance. I am available to meet with you to provide a no cost needs analysis so you know where you stand. Email me at [Michael.hurley@kofc.org](mailto:Michael.hurley@kofc.org) or call/text my cell 410-913-7835.
