

GENE

In the beginning..... That's what *Genesis* is – the beginning of the world and all living things! In this book, one will discover the answer to those age-old questions: Where did I come from? Why am I here? What is the purpose of my life? *Genesis* sets the stage for God's plan of redemption, and plants the seeds of many important doctrines and teachings that unfold throughout the rest of the Bible. Without *Genesis*, the Bible is incomprehensible, which makes this study a "must" for all Catholics!

Sponsored by Catholic Scripture Study (CSS), each lesson incorporates the fullness of Catholic teaching on Holy Scripture by integrating *The Catechism of the Catholic Church*, historic writings, Church Sacraments and Traditions. This study answers the call to spend time with Sacred Scripture, and provides each person with the ability to better understand, explain and defend the Catholic Faith.

New groups form yearly, so NO PREVIOUS BIBLE STUDY EXPERIENCE IS NECESSARY! *Genesis* will begin on **September 17, 2009**. The lessons, materials, video-taped lectures, small-group discussions, and easy-to-follow format will help you grow in your understanding of the Bible and your Catholic faith. Participants meet on **Thursdays, 9:45-11:45AM or 7:00-9:00PM**. **Weekly attendance is not required**. More detailed information will be mailed to you after registration.
