Las Pequeñas Comunidades Cristinas

La pequeña comunidad cristiana es el modo más natural de vivir lo sobrenatural, de acuerdo con las orientaciones de Cristo y los apóstoles y la Iglesia primitiva. Es como el recipiente más propicio para que en él se vierta el agua del Espíritu, es el espacio misterioso donde la debilidad de los discípulos unidos entre sí, se convierte en fortaleza; donde la unión de los ignorantes, escuchando juntos al maestro, se convierte en cátedra de sabiduría, la sabiduría que se esconde a los sabios sabihondos y se da a los sencillos, es la fuente donde podemos beber siempre de nuevo para superar la fatiga, reencontrar la alegría y la esperanza y seguir así el camino.

La pequeña comunidad cristiana es la verdadera célula base de la Iglesia, más plenamente que la familia, la cual en principio, puede ser y muchas veces es pluralista en las creencias. Un miembro cualquiera de la familia puede declararse ateo o budista, y sigue siendo de la familia mientras que la pequeña comunidad tiene como fundamento y centro de unión exclusivamente la fe en Jesucristo.

His hope in every situation is reality! Give yourself some quiet time with God at least once a week. *May God fill you with all joy and peace...so that you may overflow with hope by the power of the Holy Spirit* (Romans 15:13). All are welcome!

The Family Perspective on the Gospel

Every family is visited by difficult times which can unite or divide. These hardships, which we would quickly reject, hold the potential to be the unifying "cornerstone" where we drop our pettiness and defenses and pull together, linked by a common bond and love for one another.
